Honours Research Project Talks

Advance warning is given that next week, from 6th-9th March, all MChem and BSc students doing a research project will be giving their oral presentations. With just over 100 students, the talks have extended for the first time into a 4th day. The programme for the three parallel sessions will appear in next week's newsletter, but all interested readers are encouraged to attend as many sessions as possible and support our project students.

Volunteers Required For Psychology Research Project

Calling all British female science students! You are invited to participate in a Psychology dissertation study examining identity and emotional expression. The study takes 30 minutes or less, is held in the Psychology building in St Mary's quad, and those who participate can enter a free draw to win one of three Amazon vouchers for £25. If you are interested, please contact Lee Bowman at leb9@st-andrews.ac.uk.

Open Access and Research Data Management Drop-in Session

Kyle (Open Access), Federica (Research Data Management) and Jen (Pure Support) from the Library will hold a Drop-in Session on Wednesday 1st March 2017, 3.00 pm to 5.00 pm in room 229a. Please come along if you have any questions.

New Faces

Cameron Carpenter-Warren comes from Devon and completed an MChem at Loughborough last year. He has now started PhD work with AMZS and is interested in Jiu-Jitsu, basketball, reading and PC gaming.
Veselina Georgieva comes from Bulgaria and obtained bachelor's and master's degrees at the University of Sofia, followed by a PhD at the University of Caen. She has now started postdoctoral work with PAW and is interested in swimming, photography, travel and making her own soaps and perfumes.
